**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Our local ISP, Sonic.net, gives us high speed, low-cost internet with excellent reliability and customer service. They depend on free and fair access to the country's existing telecommunications infrastructure. Please don't allow AT&T to bully them out of business and force me to pay more money for less service.
